

Another Doubleheader Scheduled for City Park Ball Diamond

Last Sunday on the Torrance ball diamond the Torrance Indians added two more victories to make it four in a row. The latest pair were thrillers. One

with Walker Roofing, score 3-2, and the other against Lynwood American Legion, 3-2. It was Manager Johnny Rawlings' first day on the Indians' bench. Next Sunday the Indians will attempt to make it six in a row when they tangle with Northrup and Kenna Dome Wildcats in a double header in Torrance.

Tartar Pitcher Star of Team

Jimmy Daniels, Torrance high school flinger, continued his series of stellar performances this week as he pitched his Tartars to a 5 to 2 win over El Segundo last Friday and then was credited with 22 strikeouts Tuesday when his club fell before Gardena 3 to 2 for the Tartars' first loss of the season. Young Daniels allowed but one hit in the El Segundo game while the Ollers' pitcher, Broberg, was nicked for eight. Frank Hieles did a good catching job for Torrance while Bobby Golden was credited with the longest hit of the game, a three-bagger in the sixth.

In the Gardena 10-inning game, Daniels allowed six hits but fanned 22 while the Torrance team was getting five bingles. Belton, on the mound for Gardena, had nine strikeouts. Tomorrow Banning comes to Torrance while San Pedro plays at Narbonne. Next Tuesday, March 18, Narbonne plays at Torrance.

Gardena, Banning Win Opening Games in Marine League

Don Belton, star southpaw hurler of the Gardena high school baseball team, pitched his Mohicans to a 5 to 1 victory over Coach Wayne Sloss' Narbonne nine in a Marine League contest for both clubs at Gardena last Friday. Narbonne defeated El Segundo 10 to 2 in an opening league game last Thursday.

Belton fanned nine Gauchos and was never in serious danger. Narbonne scored its only run in the fourth inning after Gardena had tallied once in the first and twice in the second. Alexander and Snyder were the Narbonne twirlers.

BANNING DEFEATS SAN PEDRO 8-1

Bobby Legaspi paced a hard-hitting Banning baseball team to an 8 to 1 triumph over San Pedro in another opening League game at San Pedro Friday. The Banning star rapped three hits in four tries, one of which was a first-inning home run. Banning played errorless ball behind Trinidad Salinas while five Pirate errors kept Peter Mel and Joe Chuka, Pedro flingers, in hot water. Mel opened but retired after getting one man out in the second. Chuka had his offerings smacked for six runs and as many hits.

Tray for Baby Supplies Shown at Harbor Hills

A model tray showing mothers how to keep supplies used in caring for babies separate from articles of general household use soon will be added to the baby's room in the demonstration home at the Harbor Hills low-rent housing development, Western Ave. and Palos Verdes Dr., the County Housing Authority said today.

The tray will be prepared by Betty Harline and Betty Gibson, hostesses in the three-bedroom demonstration home, under direction of Mrs. G. T. Pearce, acting supervising nurse of the Torrance Health Center. By using simple jars and articles purchased in variety stores, the tray can be prepared for a cost of 35 cents, Mrs. Pearce declared. Such trays, she said, are recommended by public health departments everywhere.

Interest in the Harbor Hills demonstration home continues, with from 700 to 800 visitors inspecting it on Sundays, officials of the County Housing Authority reported. Homes in the Harbor Hills development will rent for an average of \$18.51 a month, including water. Families who are now living in run-down or overcrowded homes and who have an annual income sufficient to meet the rent will be accepted as tenants, provided the head of the family is an American citizen, officials declared.

Vurpillat Opens New Cafe Here Friday Morning

Completely renovated and remodeled throughout and with a new kitchen installed, Vurpillat's Cafe at 1528 Cravens ave., the former location of the Silver Grill opens tomorrow, Friday, under the personal management of the experienced Hermosa Beach restaurateur. Featuring "the best steaks in Southern California" and a business men's lunch—all foods prepared by women cooks—Vurpillat's will present an atmosphere of cleanliness and charm. The adjoining cocktail lounge has been newly furnished and its lengthened bar is illuminated with fluorescent lights, making that portion of the establishment distinctive in the Southland.

A "union house" thruout, the cafe and cocktail lounge employs a number of local people. Vurpillat brings to Torrance more than 20 years' experience in the restaurant business. He operated a cafe for many years in Hermosa Beach under his own name and also conducted the "21 club" there. After he had purchased steamship tickets for a voyage to Panama where he is planned to visit his son who is in government service there, Vurpillat cancelled his passage and gave up his plans to retire from business life when the opportunity arose to come to Torrance.

Volunteer Firemen—And Women—For Defense Proposed

A proposal to enlist 10,000 volunteer fire fighters to cooperate with the national guard's civilian defense program has been proposed by Frederick H. Cowles of Santa Barbara, member of the state board of forestry. Under the plan, civilians—probably including both men and women—would be trained in fundamentals of fire fighting, and equipped with back pump outfits, similar to those now being used by the forestry services. Such a force would prove "invaluable" in event of war, Cowles said. He served in a similar volunteer fire service during the world war.

Army Holidays Are Announced

First holiday for men just joining the army will be Memorial Day, May 30, but some of the men who were inducted Jan. 29 and went to Camp Ord near Monterey have written they hope to obtain special leaves to visit home before that time. Other holidays the army will observe for 1941 are Independence Day, July 4, Labor Day Sept. 1, Armistice Day, Nov. 11, Thanksgiving Nov. 20 and Christmas Dec. 25.

The selective service has announced the Wilmington draft board will send 50 men to the Los Angeles induction station March 24. Don't try to beat the train! Believe it or not, the engineer isn't interested in racing with you! British Guiana, about the size of England, has but 272 miles of roads. Walterians Want Small Park Removed

If the wishes of the Walteria Civic Organization are followed by the city street department, Torrance will lose one of its small parks. The Walterians asked the city council Tuesday night to remove the park at Hawthorne Blvd. and Newton St. because it is regarded as a traffic hazard on account of its shrubbery and plants which have grown too large. The request was referred to the street department for action.
